Dear Sir:

This is a response to the Official Communication mailed May 3, 2006. This communication indicated that the Applicant's reply to the restriction requirement, dated February 22, 2006, was not fully responsive because a listing of all claims readable upon the election was not provided. All pending claims (claims 125, 127-130, 132-138, 140-145, 147-149, 155-157, 166-168, 177-183 and 196-199) read on the elected species of SEQ ID NO: 12.

An action on the merits of all the claims and a Notice of Allowance thereof are respectfully requested.

Dated: June 19, 2006

Respectfully submitted,

By
